To all Kumamoto University Members

Library Director

Donations of Books and Other Materials - Kumamoto Earthquake Library

Kumamoto University Library has collected and preserved many materials about 2016 Kumamoto Earthquake.

These materials have been exhibiting in the library and also our web page since 2016.10.14 as "Kumamoto Earthquake Library".

We intend to continue carrying out this activity for social contribution, so we wish you to send the materials you have.

* Kumamoto Earthquake Library <https://www.lib.kumamoto-u.ac.jp/collections/kjl>

○Donating Materials about 2016 Kumamoto Earthquake

Book, magazines, journals, research papers, resume, leaflet, photographs, exhibition panels (from various associations and individuals)

The collection covers a wide range of materials, both related and unrelated to Kumamoto University.

The form of the materials shall be printed such as booklets and papers, CD-ROMs of their electronic data or electromagnetic records that can be sent by e-mails, etc.

※ We are also looking for material about the July 2020 heavy rains.

○About the acceptance of materials

Please fill out the attached Application Form and bring it to the Central Library together with the materials, or send it by intercampus mail to the following address.
